

A decorative graphic on the left side of the slide. It consists of a blue parallelogram and a light green parallelogram, both tilted at an angle. The blue shape is in the foreground, and the green shape is partially behind it. They are set against a dark blue background with faint, lighter blue diagonal stripes.

Startup Connection App

Team Members

- Chris Bucker
- Haden Foster
- Robert Klueber
- Julian Price
- Jim Shallcross

Client Partner

- Trey Gourley

Mentor Feedback

- Revisit first iteration conversation
- Revisit priority conversation
- Refinement/Iteration Planning *****
- Discussing scheduling more (capacity)
- Keep up collabing
- Open Meetings
- Maintaining a scheduling document
- Dedicate one or two people to maintain that

Client Feedback

- Continue working on what we have and assure it works
- Put primary focus onto creating pitch pages

Iteration Two Features

The screenshot displays the Jira Software interface for a project named 'Choose Up'. The top navigation bar includes 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', 'Apps', and a 'Create' button. A search bar is located on the right. The left sidebar contains a menu with options: 'Choose Up' (Classic software project), 'CU board' (Board), 'Backlog', 'Active sprints' (selected), 'Reports', 'Issues', 'Components', 'Code', 'Releases', 'Project pages', 'Add item', and 'Project settings'.

The main content area shows the 'CU Sprint 2' board. The breadcrumb trail is 'Projects / Choose Up / CU board'. The board title 'CU Sprint 2' is prominently displayed. To the right of the title, there are icons for a link, star, clock (showing '10 days remaining'), a 'Complete sprint' button, and a share icon. Below the title, a search bar and a row of avatars (CB, HF, JS, JP, RK) are visible, along with filters for 'Only My Issues' and 'Recently Updated'.

The board is organized into three columns: 'TO DO', 'IN PROGRESS', and 'DONE'. The 'IN PROGRESS' column contains seven items, each with a green status icon, a priority icon (up arrow), a title, a Jira ID, and an assignee avatar:

- Create Developer Proposal (CU-41, HF)
- Search By User Name (CU-3, RK)
- Create Pitch (CU-43, JS)
- Send Direct Messages (CU-7, CB)
- Create Investment Proposal (CU-42, HF)
- Display Search Results (CU-13, JP)
- Search By Title (CU-2, RK) - This item is highlighted with a blue background.

The 'DONE' column is currently empty. A 'Quickstart' button is located in the bottom right corner of the interface.
